

It's Easy! It's Convenient and it's Free!

SmartHub Features:

- Provides 24-hour access to your account(s).
- Allows you to pay electronically through a safe and secure environment.
- Provides current and historical billing information and payment history.
- Outlines energy usage in graphs.
- Includes a free app for your smartphone or tablet. Download it by searching for "SmartHub" on either the Apple Store or Android Market. Once the app is open, type in "Ozark Border Electric Cooperative" as the provider. The login information is the same for both the web and mobile app.
- Provides an easy way to report a power outage.
